Case No. 2022LA000308

**DECLARATION OF GARY KLINGER IN SUPPORT OF PLAINTIFFS'
UNOPPOSED MOTION FOR ATTORNEYS' FEES, COSTS, EXPENSES, AND
INCENTIVE AWARDS**

I, Gary Klinger, hereby aver, pursuant to 735 ILCS 5/1-109, that I am fully competent to make this Declaration, that I have personal knowledge of all matters set forth herein unless otherwise indicated, and that I would testify to all such matters if called as a witness in this matter.

1. I am a Partner at Milberg, Coleman, Bryson, Phillips, Grossman PLLC, Class Counsel in this action. I make this declaration in support of Plaintiffs' Unopposed Motion for Attorneys' Fees, Costs, Expenses, and Incentive Awards, filed herewith.

2. I am a member in good standing of the Illinois Bar; the United States District Courts for Colorado, the Central District of Illinois, the Northern District of Illinois, the Southern

District of Illinois, the Southern District of Indiana, the Eastern District of Michigan, the District of Nebraska, the Eastern District of Texas, and the Eastern District of Wisconsin.

3. Attached hereto as **Exhibit A** is a true and correct copy of the Parties' Class Action Settlement Agreement, and the exhibits attached thereto.

4. In 2021, Plaintiffs filed four related putative class actions in the Circuit Court of Cook County, Chancery Division—specifically, *Jones, et al. v. Lemonade, Inc.*, No. 2021CH03460; *Citchens v. Lemonade Inc.*, No. 2021CH03578; *Swerdlow v. Lemonade Ins. Agency, LLC*, No. 2021CH03583; and *Clarke v. Lemonade Inc.*, No. 2021CH03593 (the “Related Actions”).

5. On August 9, 2021, Plaintiffs filed their Motion for Leave to File First Amended Complaint and for the Appointment of Interim Class Counsel in the Circuit Court of Cook County. On August 24, 2021, Judge Loftus granted Plaintiffs' Motion and entered an Order appointing interim class counsel and allowing Plaintiffs leave to file an amended complaint, which was to be filed on August 27, 2021 (Plaintiffs intended to file their amended complaint in the first-filed *Jones* matter and at the same time dismiss their individual cases without prejudice).

6. On August 25, 2021, Defendants removed the Related Actions to the U.S. District Court for the Northern District of Illinois. On September 7, 2021, the Court consolidated the Related Actions (the “Federal Action”). The Court further granted Plaintiffs' motion to appoint interim class counsel and appointed Gary Klinger of Mason Lietz & Klinger LLP, Katrina Carroll of Carlson Lynch, LLP, and Joseph Guglielmo of Scott+Scott Attorneys at Law LLP to serve as Interim Co-Lead Counsel; and Frederick Klorczyk of Bursor & Fisher PA and Jonathan Jagher of Freed Kanner London & Millen LLC to the Plaintiffs' Executive Committee.

7. On October 7, 2021, Plaintiffs filed a Consolidated Amended Complaint. On October 12, 2021, the court in the Federal Action stayed the case to allow the parties to pursue private mediation.

8. On January 25, 2022, the Parties participated in a full-day mediation before the Hon. James R. Epstein (Ret.) of JAMS.

9. In preparation for that mediation, the Parties exchanged informal discovery, including the size of the putative class and information concerning the approximate time-period of the alleged BIPA violations.

10. The Parties also exchanged detailed mediation statements, airing their respective legal arguments.

11. Given that the information exchanged would have been, in large part, the same information produced in formal discovery related to issues of class certification and summary judgment, the Parties had sufficient information to assess the strengths and weaknesses of the claims and defenses.

12. The Parties were unable to resolve the matter at the mediation, however continued discussions regarding a potential resolution of the action. On March 18, 2022, after further negotiations, the Parties executed a term sheet confirming the material terms of a class action settlement.

13. On March 30, 2022, Plaintiffs voluntarily dismissed the Federal Action and filed the current Consolidated Class Action Complaint (“CCAC”) in the Circuit Court of DuPage County, Illinois, 18th Judicial Circuit (the “Action”). Thereafter, the parties continued to engage in discussions to finalize a settlement agreement based off of the term sheet. On May 11, 2022, the Parties finalized and executed the Settlement.

14. The Court preliminarily approved the Settlement on May 25, 2022. A true and correct copy of the Court's May 25, 2022 Preliminary Approval Order is attached hereto as **Exhibit B**.

15. The Settlement establishes a cash, non-reversionary, settlement fund of \$4,000,000, from which class members who submit a timely, simple, one-page approved Claim Form will receive a *pro rata* cash payment.

16. Moreover, as part of the Settlement, Defendants have represented that they have stopped collecting biometric identifiers or information and agrees that should they start collecting biometric identifiers or information, they will provide all notices and consents as required by BIPA and all other applicable laws. Further, Defendants have agreed to delete all previously-collected biometric information and/or identifiers from all Class Members within seven days after entry of the Final Order and Judgment.

17. Class Counsel estimates that this injunctive relief is valued at approximately \$5,011,000 when accounting solely for the Illinois Subclass. The Illinois General Assembly established statutory damages in the amount of \$1,000 for negligent violations and \$5,000 for willful violations of BIPA. Here, there are 5,011 Illinois Sub-Class members whose biometric information will be deleted by Defendants as a result of this Settlement, and whose BIPA rights will be protected in the future. The Illinois General Assembly has assigned a value of at least \$1,000 each to that relief, or \$5,011,000. Accordingly, the total settlement value is approximately \$9,011,000.

18. The Nationwide Settlement Class includes 110,507 persons in the United States that were Defendants' policyholders, and who, between June 25, 2019 and May 27, 2021, provided first notice of loss through a video claim submission from which Defendants or

Released Parties could have collected, captured, received, or otherwise obtained or disclosed data or information that could be construed as biometric identifiers of any kind (including, but not limited to retina or iris scan, fingerprint, voiceprint, scan of hand, scan of face geometry, or measurement of any biological feature) and/or biometric information of any kind (including, but not limited to, any information, regardless of how it is captured, converted, stored, or shared, based on an individual's biometric identifier used to identify an individual).

19. The Illinois Settlement Sub-Class includes 5,011 persons in the State of Illinois that were Defendants' policyholders, and who, between June 25, 2019 and May 27, 2021, provided first notice of loss through a video claim submission from which Defendants or Released Parties could have collected, captured, received, or otherwise obtained or disclosed data or information that could be construed as biometric identifiers of any kind (including, but not limited to retina or iris scan, fingerprint, voiceprint, scan of hand, scan of face geometry, or measurement of any biological feature) and/or biometric information of any kind (including, but not limited to, any information, regardless of how it is captured, converted, stored, or shared, based on an individual's biometric identifier used to identify an individual).

20. The Parties agreed to the terms of the Settlement through experienced counsel who possessed all the information necessary to evaluate the case, determine all the contours of the proposed class, and reach a fair and reasonable compromise after negotiating the terms of the Settlement at arm's-length and with the assistance of a neutral mediator.

21. Plaintiffs and Class Counsel recognize that despite our belief in the strength of Plaintiffs' claims, and Plaintiffs' and the Class's ability to ultimately secure a favorable judgment at trial, the expense, duration, and complexity of protracted litigation would be substantial and the outcome of trial uncertain.

22. Plaintiffs and Class Counsel are also mindful that absent a settlement, the success of Defendants' various defenses in this case could deprive the Plaintiffs and the Settlement Class Members of any potential relief whatsoever. Defendants are represented by highly experienced attorneys who have made clear that absent a settlement, they were prepared to continue their vigorous defense of this case, including by moving for summary judgment after discovery. Plaintiffs and Class Counsel are also aware that Defendants would have continued to challenge liability, as well as assert a number of defenses, including whether the claims are barred because Defendants are financial institutions pursuant to Title V of the federal Gramm-Leach Bliley Act of 1999 and therefore are expressly excluded under BIPA. If successful, this defense could have resulted in Plaintiffs and the Settlement Class Members receiving no payment or relief whatsoever. Looking beyond trial, Plaintiffs are also keenly aware that Defendants could appeal the merits of any adverse decision, and that in light of the statutory damages in play it would argue – in both the trial and appellate courts – for a reduction of damages based on due process concerns.

23. Plaintiffs and Class Counsel believe that the relief provided by the settlement weighs heavily in favor of a finding that the settlement is fair, reasonable, and adequate, and well within the range of approval.

24. My firm has extensive experience litigating class actions. A copy of the firm resume of Milberg Coleman Bryson Phillips Grossman, PLLC. is attached hereto as **Exhibit C**. In particular I have an exceptional history of positive resolutions for privacy class actions like this one. *See, e.g., Struck v. Woodman's Food Mkt.*, No. 2021-CH-00000053 (Ill. Cir. Ct. Lake Cnty. July 9, 2021) (appointed sole class counsel in \$3 million BIPA settlement); *Baksh v. Ivy Rehab Network, Inc.*, No. 7:20-cv-01845-CS (S.D.N.Y. Jan. 27, 2021) (Class Counsel in a

privacy class action settlement involving 125,000 individuals with a settlement value of \$12.8 million; Final Approval granted); *Mowery v. Saint Francis Healthcare Sys.*, No. 1:20-cv-00013-SRC (E.D. Mo. Dec. 22, 2020) (appointed Class Counsel; settlement value of over \$13 million); *Jackson-Battle v. Navicent Health, Inc.*, No. 072287 (Ga. Super. Ct. Bibb Cnty. filed Apr. 29, 2020) (appointed Class Counsel in data breach case involving 360,000 patients; settlement valued at over \$72 million); *Chatelain v. C, L & W PLLC*, No. 50742-A (Tex. 42d Dist. Ct. Taylor Cnty. filed Apr. 28, 2020) (appointed Class Counsel; settlement valued at over \$7 million). I have also has also successfully litigated privacy class actions through class certification. In *Karpilovsky v. All Web Leads, Inc.*, No. 17 C 1307, 2018 WL 3108884, at *1 (N.D. Ill. June 25, 2018), I certified, over objection, a nationwide privacy class action involving more than one million class members. The *Karpilovsky* case ultimately settled for \$6.5 million. I also serve as court-appointed counsel in the high-profile RICO litigation against Exelon Corporation where the proposed class seeks damages in connection with a bribery scheme involving corrupt public officials. See *Gress v. Commonwealth Edison Co.*, No. 20-cv 4405 (N.D. Ill. Dec. 2, 2020), ECF No. 64. In a recent class settlement hearing in the U.S. District Court for the Northern District of California, Judge Richard Seeborg personally commended me for “quite a substantial recovery for class members.” Judge Seeborg further stated he could not recall any class action case where “the amounts going to each class member were as substantial” as that obtained.

25. My co-counsel, Frederick J. Klorczyk III of Bursor & Fisher, P.A., has extensive experience litigating class actions of similar size, scope, and complexity to the instant action. A copy of the firm resume of Bursor & Fisher, P.A. is attached hereto as **Exhibit D**. For instance, Mr. Klorczyk played a key litigation role in *In re Blue Buffalo Co., Ltd., Mktg. & Sales Pras.*

Litig., No.14-md-2562 (E.D. Mo. June 16, 2016), ECF No. 214, which settled for a \$32 million cash common fund within two years of filing the complaint. Mr. Klorczyk also has substantial experience litigating and certifying contested claims on behalf of nationwide and multi-state classes. *See, e.g., Martinelli v. Johnson & Johnson*, No. 2:15-cv-01733-MCE-DB, 2019 WL 1429653 (E.D. Cal. Mar. 29, 2019) (granting class certification of California false advertising claims and multi-state express warranty claims brought by purchasers of a butter substitute); *Ebin v. Kangadis Food Inc.*, 297 F.R.D. 561 (S.D.N.Y. 2014) (granting nationwide class certification of false advertising and other claims brought by purchasers of purported “100% Pure Olive Oil” product). Mr. Klorczyk also has extensive experience in resolving class cases. *See, e.g., Isley v. BMW of N. Am., LLC*, No. 2:19-cv-12680 (D.N.J. Aug. 3, 2021); *Jordan v. WP Co.*, No. 3:20-cv-05218 (N.D. Cal. July 8, 2021); *Crandell v. Volkswagen Grp. of Am., Inc.*, No. 2:18-cv-1337 (D.N.J. June 9, 2021); *Moses v. N.Y. Times Co.*, No. 1:20-cv- 04568 (S.D.N.Y. May 12, 2021); *Heigl v. Waste Mgmt. of N.Y.C.*, No. 1:19-cv-05487 (E.D.N.Y. Aug. 27, 2020); *Russett v. Nw. Mut. Life Ins. Co.*, No. 7:19-cv-07414 (S.D.N.Y. Oct. 6, 2020); *Gregorio v. Premier Nutrition Corp.*, No. 1:17-cv-05987 (S.D.N.Y. Jan. 17, 2019) (approving \$9 million settlement regarding alleged false advertising by Premier Nutrition); *Ruppel v. Consumers Union of U.S., Inc.*, No. 16-cv-02444 (S.D.N.Y. Dec. 4, 2018) (\$16.375 million common fund). Moreover, Bursor & Fisher has been appointed Class Counsel in other BIPA actions such as *Suren, et al. v. DSV Solutions, LLC*, Case No. 2021CH000037 (Cir. Ct. DuPage Cnty.); *Landreth v. Verano Holdings LLC, et al.*, Case No. 2020CH06633 (Cir. Ct. Cook Cnty.); *Issacson v. Liqui-Box Flexibles, LLC, et al.*, Case No. 2021CH000099 (Cir. Ct. Will Cnty.); and *Sahlin v. Hospital Housekeeping Systems, LLC*, Case No. 2021L28 (Cir. Ct. Williamson Cnty.). They are also lead counsel in approximately 20 BIPA putative class actions currently pending in Illinois.

26. My co-counsel, Katrina Carroll of Lynch Carpenter, LLP, is also experienced in class actions. A copy of the firm resume of Lynch Carpenter, LLP is attached hereto as **Exhibit E**. Ms. Carroll has litigated complex matters and class actions for over twenty years and has devoted her career to representing plaintiffs in complex cases. In total, she has litigated over one hundred class actions and obtained recoveries in excess of \$1 billion in all types of cases. She has been recognized as one of the top 25 class action lawyers in the State of Illinois by the National Trial Lawyers Association. She currently serves as court appointed Co-Lead counsel in *In re TikTok, Inc. Consumer Priv. Litig.*, No. 1:20-cv-04699 (N.D. Ill. Sept. 28, 2020), ECF No. 94, a major data privacy litigation against the popular social media app where preliminary approval of a \$92 million class action settlement is currently pending. Outside of the courtroom, Ms. Carroll has dedicated significant effort to promoting diversity in the field. She participates in formal legal mentoring programs in the Chicago area and speaks regularly at symposiums and conferences related to various class action topics. Ms. Carroll is an active Board member of the Advisory Board of Loyola University School of Law's Institute for Consumer and Antitrust Studies.

27. Similarly, Joseph Guglielmo is a partner at Scott+Scott Attorneys at Law LLP a nationally recognized class action law firm with over sixty attorneys and offices worldwide. A copy of the firm resume of Scott+Scott Attorneys at Law LLP is attached hereto as **Exhibit F**. For over the past 20 years, Mr. Guglielmo has been appointed to numerous leadership positions in consumer class actions and has achieved significant recoveries for his clients. Mr. Guglielmo served as Co-Lead Counsel on behalf of financial institutions in well-publicized national data breach matters against The Home Depot and Equifax, which resulted in significant recoveries. *In re The Home Depot, Inc., Customer Data Sec. Breach Litig.*, No. 1:14-md-02583 (N.D. Ga.

Sept. 22, 2017) (\$27.25 million settlement); *In re Equifax, Inc. Customer Data Sec. Breach Litig.*, No. 1:17-md-02800 (N.D. Ga. July 25, 2019) (settlement valued in excess of \$32.5 million). Mr. Guglielmo and Scott+Scott also represented defrauded investors in the litigation relating to the Ponzi scheme perpetrated by Bernard Madoff, where Mr. Guglielmo and Scott+Scott were complimented by the court on their “superlative” advocacy and “remarkable grasp and handling of the extraordinarily complex matters” involved. Order 9–10, *N.Y. Univ. v. Ariel Fund Ltd.*, No. 603803/08 (N.Y. Sup. Ct. Feb. 22, 2010). Apart from his courtroom work, Mr. Guglielmo lectures on electronic discovery, has served on the Steering Committee of Working Group 1 of the Sedona Conference®, and presently serves on the board of the Advanced eDiscovery Institute at Georgetown University Law Center.

28. Likewise, Jonathan Jagher of Freed Kanner London & Millen has built a practice representing plaintiffs in consumer and antitrust class actions and has recovered close to \$1 billion for his clients and represented classes. A copy of the firm resume of Freed Kanner London & Millen LLC is attached hereto as **Exhibit G**. He has been appointed to leadership structures in the data privacy field, having been appointed to the Plaintiffs’ Steering Committee in *In re TikTok, Inc. Consumer Priv. Litig.*, No. 1:20-cv-04699 (N.D. Ill. Sept. 28, 2020), ECF No. 94. He was also appointed to the Executive Committee in *Dalton v. Morgan Stanley Smith Barney, LLC*, No. 1:20- cv-06468-AT (S.D.N.Y. Sept. 17, 2020), ECF No. 16, a data breach case. Mr. Jagher also has significant experience and has served in lead roles in the some of the largest antitrust cases on record including *In re Auto. Parts Antitrust Litig.*, MDL No. 2311 (E.D. Mich. Feb. 6, 2017), ECF No. 217 (“Auto Parts”), an ongoing MDL consisting of over 25 different coordinated actions in which settlements to date total over \$550 million. He currently serves on the Advisory Board of Loyola University School of Law’s Institute for Consumer

Antitrust Studies and frequently serves as a guest speaker on a multitude of class action issues on panels throughout the United States.

29. Since the Court preliminarily approved the Settlement, Class Counsel has worked with the Settlement Administrator, Epiq Systems, Inc. (“Epiq”), to carry out the Court-ordered notice plan. Specifically, Class Counsel helped compile and review the contents of the class notices, reviewed the final claim forms, and reviewed and tested the settlement website before it launched live. Class Counsel also worked with Defendants and Epiq to secure the class list and effectuate notice.

30. Since class notice has been disseminated, Class Counsel has continued to work closely with Epiq to monitor settlement claims and any other issues that may arise. Class Counsel has also fielded calls from Settlement Class Members and assisted with their requests.

31. Class Counsel undertook this litigation on a contingency basis, despite knowing the litigation risks and the prospect of no recovery.

32. As set forth above, Class Counsel has devoted (and continues to devote) a significant amount of attorney time and other resources investigating, prosecuting and resolving this litigation and, as a result, has been forced to forego other new matters that we otherwise would have taken on.

33. Additionally, to date Class Counsel has expended \$11,774.67 in out-of-pocket costs and expenses in connection with the investigation, prosecution, and resolution of this litigation. Attached hereto as **Exhibit H** is an itemized list of those costs and expenses. These costs and expenses are reflected in the records of my firm, Bursor & Fisher, P.A., Lynch Carpenter, LLP, Scott+Scott Attorneys at Law LLP, and Freed Kanner London & Millen LLC and were necessary to effectively prosecute this litigation. Cost and expense items are billed

Civil Action No. 2022LA000308

CLASS ACTION SETTLEMENT AGREEMENT

This Agreement (“Agreement” or “Settlement Agreement”) is entered into by and among Plaintiffs Alexander Clarke, Milton Citchens, Andrew Garcia, Ebony Jones, Kyle Swerdlow, Marla Walker, and Ryann Webb (“Plaintiffs”), on behalf of themselves and the other members of the Settlement Classes (as defined herein), and Defendants Lemonade, Inc., Lemonade Insurance Company, Lemonade Insurance Agency, LLC, Lemonade, Ltd., and Lemonade Life Insurance Agency, LLC (collectively, “Lemonade” or “Defendants”). The Plaintiffs and the Defendants are collectively referred to herein as the “Parties.” This Agreement is intended by the Parties to fully, finally and forever resolve, discharge, and settle the Released Claims (as defined herein), upon and subject to the terms and conditions of this Agreement, and subject to the final approval of the Court.

RECITALS

A. On March 31, 2022, Plaintiffs filed a Consolidated Class Action Complaint (“CCAC”) in the Circuit Court of DuPage County, Illinois, 18th Judicial Circuit (the “Action”). The material allegations of the CCAC are that, between June 25, 2019 and May 27, 2021, Defendants collected, captured, received, or otherwise obtained and/or stored the biometric identifiers and biometric information (collectively, “biometric information”) of Plaintiffs and all other members of the Settlement Classes (defined below) without obtaining informed written consent or providing the data retention and destruction policies to consumers, in violation of the Illinois Biometric Information Privacy Act (“BIPA”), 740 ILCS 14/1, *et seq.* Plaintiffs also alleged that Defendants’ conduct violated the Illinois Consumer Fraud and Deceptive Business Practices Act (“ICFA”), the California Unfair Competition Law (“UCL”), California Business & Professions Code §§ 17200. *et seq.*, other state consumer protection statutes, and other common-law duties.

B. Prior to filing the instant Action, the Parties engaged in settlement discussions and, to that end, agreed to participate in a private mediation before Lemonade formally answered the CCAC.

C. On January 25, 2022, the Parties participated in a full-day mediation with James Epstein of JAMS. The Parties were unable to resolve the matter at this mediation and continued negotiations on their own.

D. On March 18, 2022, after further negotiations, the Parties executed a term sheet confirming the material terms of a class action settlement.

E. At all times, Lemonade has denied and continues to deny any wrongdoing whatsoever, denies that it committed, or threatened or attempted to commit, any wrongful act or violation of law or duty alleged in the Action, and denies that certification of a litigation class is

necessary or proper. Accordingly, any references to the alleged business practices of Lemonade in this Agreement, any settlement document, or the related Court hearings and processes will raise no inference that those business practices or any other business practices of Lemonade were improper. Nonetheless, considering the uncertainty and risks inherent in any litigation and the desire to avoid the expenditure of further legal fees and costs, Lemonade has concluded it is desirable and beneficial that the Action be fully and finally settled and terminated in the manner and upon the terms and conditions set forth in this Agreement to avoid further expense, inconvenience, and burden. This Agreement is a compromise, and the Agreement, any related documents, and any negotiations resulting in it shall not be construed as or deemed to be evidence of or an admission or concession of liability or wrongdoing on the part of Lemonade, or any of the Released Parties (defined below), with respect to any claim of any fault or liability or wrongdoing or damage whatsoever or with respect to the certifiability of a litigation class.

F. Plaintiffs and Class Counsel recognize that Lemonade has raised factual and legal defenses that present a risk that Plaintiffs may not prevail. Plaintiffs and Class Counsel also recognize the expense and delay associated with continued prosecution of the Action against Lemonade through class certification, summary judgment, trial, and any subsequent appeals. Plaintiffs and Class Counsel also have considered the uncertain outcome and risks of litigation, especially in complex class actions, as well as the difficulties inherent in such litigation. Therefore, Plaintiffs believe it is desirable that the Released Claims, as further defined herein, be fully and finally compromised, settled, and resolved with prejudice. Based on its evaluation, Class Counsel has concluded that the terms and conditions of this Agreement are fair, reasonable, and adequate to the Settlement Classes, and that it is in the best interests of the Settlement Classes to settle the claims raised in the Action pursuant to the terms and provisions of this Agreement.

G. Lemonade maintains that it has several meritorious defenses to the claims asserted in this action, and that Lemonade would prevail in this matter on summary judgment or at trial. Lemonade denies any wrongdoing and any liability to Plaintiffs and the Settlement Classes. Lemonade also denies that class certification is warranted or appropriate. Nevertheless, Lemonade recognizes the risks and uncertainties inherent in litigation, the significant expense associated with defending class actions, the costs of any appeals, and the disruption to business operations arising out of class action litigation. Lemonade also recognizes the risks that a potential trial on class-wide claims might present. Accordingly, Lemonade believes that the Settlement set forth in the Agreement is likewise in the best interests of all parties involved.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among Plaintiffs, the Settlement Classes, and each of them, and Lemonade, by and through its undersigned counsel that, subject to final approval of the Court after a hearing or hearings as provided for in this Settlement Agreement, in consideration of the benefits flowing to the Parties from the Agreement set forth herein, that the Action and the Released Claims shall be finally and fully compromised, settled, and released, and the Action shall be dismissed with prejudice, upon and subject to the terms and conditions of this Agreement.

(c) Receive requests to be excluded from the Settlement Class and other requests and promptly provide to Class Counsel and Defendants' Counsel copies thereof, along with a weekly report of the number of such requests received. 5.4 All taxes and tax expenses shall be paid out of the Settlement Fund and shall be timely paid by the Settlement Administrator pursuant to this Agreement and without further order of the Court. Any tax returns prepared for the Settlement Fund (as well as the election set forth therein) shall be consistent with this Agreement and in all events shall reflect that all taxes on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided herein. The Released Parties shall have no responsibility or liability for the acts or omissions of the Settlement Administrator or its agents with respect to the payment of taxes or tax expenses.

6. TERMINATION OF SETTLEMENT.

6.1 Subject to Paragraphs 9.1-9.3 below, Defendants, or the Class Representatives on behalf of the Settlement Class, shall have the right to terminate this Agreement by providing written notice of the election to do so (“Termination Notice”) to all other Parties hereto within twenty-one (21) days of any of the following events: (i) the Court’s refusal to grant Preliminary Approval of this Agreement in any material respect; (ii) the Court’s refusal to grant final approval of this Agreement in any material respect; (iii) the Court’s refusal to enter the Final Order and Judgment in this Action in any material respect; (iv) the date upon which the Final Order and Judgment is modified or reversed in any material respect by an Appellate Court or the Supreme

Court; or (v) the date upon which an Alternate Judgment, as defined in Paragraph 9.1(d) of this Agreement is modified or reversed in any material respect by an Appellate Court or the Supreme Court. 6.2 Defendants have represented that there are a total of 110,507 members of the Nationwide Settlement Class of which 5,011 are members of the Illinois Settlement Sub-Class. Lemonade will provide Class Counsel with a declaration confirming the number of Settlement Class Members. The Preliminary Approval Order shall also authorize the Parties, without further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement and its implementing documents (including all exhibits to this Agreement) so long as they are consistent in all material respects with the terms of the Settlement Agreement and do not limit or impair the rights of the Settlement Classes or materially expand the obligations of Defendants.

7.2 At the time of the submission of this Agreement to the Court as described above, Class Counsel shall request that, after Notice is given, the Court hold a Final Approval Hearing and approve the settlement of the Action as set forth herein.

7.3 After Notice is given, the Parties shall request and seek to obtain from the Court a Final Judgment, which will among other things:

(a) find that the Court has personal jurisdiction over all Settlement Class Members and that the Court has subject matter jurisdiction to approve the Agreement, including all Exhibits thereto;

(b) approve the Settlement Agreement and the proposed settlement as fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members; direct the Parties and their counsel to implement and consummate the Agreement according to its terms and provisions; and declare the Agreement to be binding on, and have *res judicata* and preclusive effect in all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiffs and Releasing Parties;

(c) find that the Notice implemented pursuant to the Agreement (1) constitutes the best practicable notice under the circumstances; (2) constitutes notice that is reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency of the Action, their right to object to or exclude themselves from the proposed Agreement, and to appear at the Final Approval Hearing; (3) is reasonable and constitutes due, adequate, and sufficient notice to all persons entitled to receive notice; and (4) meets all applicable requirements of the Illinois Code of Civil Procedure, the Due Process Clause of the United States and Illinois Constitutions, and the rules of the Court;

(d) conditionally find that the prerequisites for a class action under 735 ILCS 5/2-801 have been satisfied for settlement purposes only for the Settlement Class in that: (1) the number of Settlement Class Members is so numerous that joinder of all members thereof is impracticable; (2) there are questions of law and fact common to the Settlement Class Members; (3) the claims of the Class Representatives are typical of the claims of the Settlement Class they seek to represent; (4) the Class Representatives have and will continue to fairly and adequately represent the interests of the Settlement Class for purposes of entering into the Settlement Agreement; (5) the questions of law and fact common to Settlement Class Members predominate over any questions affecting any individual Settlement Class Member; (6) the Settlement Class is ascertainable; and (7) a class action is superior to the other available methods for the fair and efficient adjudication of the controversy.

(e) dismiss the Action (including all individual claims and Settlement Class claims presented thereby) on the merits and with prejudice, without fees or costs to any party except as provided in the Settlement Agreement;

(f) incorporate the Release set forth above, make the Release effective as of the date of the Effective Date, and forever discharge the Released Parties as set forth herein;

(g) permanently bar and enjoin all Settlement Class Members from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in any lawsuit or other action in any jurisdiction based on the Released Claims;

(h) without affecting the finality of the Final Judgment for purposes of appeal, retain jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Judgment, and for any other necessary purpose;

(i) close the case; and

(j) incorporate any other provisions, as the Court deems necessary and just, provided that such other provisions do not materially abridge, enlarge, or modify any rights or responsibilities of the Released Parties or Settlement Class Members under this Agreement.

7.4 The Parties shall also request that the Final Judgment include a finding by the Court that the prospective relief described in Paragraph 2.2 above constitutes Defendant's compliance with BIPA going forward.

8. CLASS COUNSEL'S ATTORNEYS' FEES AND REIMBURSEMENT OF EXPENSES; INCENTIVE AWARD.

8.1 Class Counsel shall apply to the Court for payment of an award of attorneys' fees of up to 33 1/3% of the Settlement Fund plus the value of the injunctive relief, inclusive of reimbursement of Class Counsel's costs and expenses incurred on behalf of the Settlement Class. Defendants agree to not object to or otherwise challenge, directly or indirectly, Class Counsel's petition. Payment of the Fee Award shall be made from the Settlement Fund. If the Court awards less than the amount sought by Class Counsel, the difference in the amount sought and the amount ultimately awarded pursuant to this Paragraph shall remain in the Settlement Fund.

8.2 The Fee Award shall be payable by the Settlement Administrator within ten (10) business days after entry of the Court's Final Order and Judgment approving the Settlement Agreement becomes Final, subject to Class Counsel providing all payment routing information and tax I.D. numbers for Class Counsel. Payment of the Fee Award shall be made from the Settlement Fund by wire transfer to Class Counsel, in accordance with wire instructions to be provided by Class Counsel, and completion of necessary forms, including but not limited to W-9 forms.

8.3 Class Counsel shall apply for service awards to the Class Representatives from the Settlement Fund, in addition to any settlement payment pursuant to this Agreement, in recognition of their efforts on behalf of the Settlement Class, in the amount of no more than two thousand five hundred dollars (\$2,500.00) each. Defendants shall not object to or otherwise challenge, directly or indirectly, Class Counsel's application for the service awards to the Class Representatives if limited to this amount. Class Counsel, in turn, agrees to seek no more than this amount from the Court as service awards for the Class Representatives. Should the Court award less than this amount, the difference in the amount sought and the amount ultimately awarded pursuant to this Paragraph shall remain in the Settlement Fund. To the extent granted, service awards shall be paid from the Settlement Fund (in the form of a check to the Class Representatives that is sent care of Class Counsel), within ten (10) business days after the Final Order and Judgment approving the Settlement Agreement becomes Final.

9. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION, OR TERMINATION.

9.1 The Effective Date of this Settlement Agreement shall not occur unless and until each of the following events occurs, and shall be the date upon which the last (in time) of the following events occurs:

- (a)** The Parties and their counsel have executed this Agreement;
- (b)** The Court has entered the Preliminary Approval Order;
- (c)** The Court has entered a Final Order and Judgment approving the Agreement, following Notice to the Settlement Class and a Final Approval Hearing, as provided in the Illinois Code of Civil Procedure, and has entered the Final Judgment, or a judgment consistent with this Agreement in all material respects; and

(d) The Final Order and Judgment has become Final, as defined above in Paragraph 1.14, or, in the event that the Court enters an Alternate Judgment, such Alternate Judgment becomes Final.

9.2 If some or all of the conditions specified in Paragraph 9.1 are not met, or in the event that this Agreement is not approved by the Court, or the settlement set forth in this Agreement is terminated or fails to become effective in accordance with its terms, then this Settlement Agreement shall be canceled and terminated subject to Paragraph 6.1 or 6.2 unless Class Counsel and Defendants' Counsel mutually agree in writing to proceed with this Agreement. If any Party is in material breach of the terms hereof, any other Party, provided that it is in substantial compliance with the terms of this Agreement, may terminate this Agreement on notice to all of the Parties. Notwithstanding anything herein, the Parties agree that the Court's failure to approve, in whole or in part, the attorneys' fees payment to Class Counsel and/or the incentive award set forth in Paragraph 8 above shall not prevent the Agreement from becoming effective, nor shall it be grounds for termination.

9.3 If this Agreement is terminated or fails to become effective for the reasons set forth in Paragraphs 6.1, 6.2, and 9.1-9.2 above, the Parties shall be restored to their respective positions in the Action as of the date of the signing of this Agreement, unless Class Counsel and Defendants' Counsel mutually agree in writing to proceed with the Agreement. In such event, any Final Judgment or other order entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*, and the Parties shall be returned to the *status quo ante* with respect to the Action as if this Agreement had never been entered into. Within five (5) business days after written notification of termination as provided in this Agreement is sent to the other Parties, the Settlement Fund (including accrued interest thereon), less any Settlement

Administration costs actually incurred, paid or payable and less any taxes and tax expenses paid, due or owing, shall be refunded by the Settlement Administrator to Defendants or Defendants' insurer, if applicable, based upon written instructions provided by Defendants' Counsel. In the event that the Final Settlement Order and Judgment or any part of it is vacated, overturned, reversed, or rendered void as a result of an appeal, or the Settlement Agreement is voided, rescinded, or otherwise terminated for any other reason, Class Counsel shall, within thirty (30) days repay to Defendants or Defendants' insurer, if applicable, based upon written instructions provided by Defendants' Counsel, the full amount of the attorneys' fees and costs paid to Class Counsel from the Settlement Fund, including any accrued interest. In the event the attorney fees and costs awarded by the Court or any part of them are vacated, modified, reversed, or rendered void as a result of an appeal, Class Counsel shall within thirty (30) days repay to Defendants or Defendants' insurer, if applicable, based upon written instructions provided by Defendants' Counsel, the attorneys' fees and costs paid to Class Counsel and/or Class Representatives from the Settlement Fund, in the amount vacated or modified, including any accrued interest.

10. MISCELLANEOUS PROVISIONS.

10.1 The Parties (a) acknowledge that it is their intent to consummate this Settlement Agreement; and (b) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement, to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement, to secure final approval, and to defend the Final Judgment through any and all appeals. Class Counsel and Defendants' Counsel agree to cooperate with one another in seeking Court approval of the Settlement Agreement, entry of the Preliminary Approval Order, and the Final Judgment, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Agreement.

10.2 The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiffs, the Settlement Class and each or any of them, on the one hand, against the Released Parties, and each or any of the Released Parties, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Action was brought by Plaintiffs or defended by Defendant, or each or any of them, in bad faith or without a reasonable basis. Nothing herein, however, shall be construed to prevent any employee of Defendants or any Released Party, or any independent contractor working in a reporting or newsgathering capacity for Defendants or any Released Party, from reporting on the Action or this Settlement.

10.3 The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully the above and foregoing agreement and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

10.4 Whether or not the Effective Date occurs or the Settlement Agreement is terminated, neither this Agreement nor the settlement contained herein or any term, provision or definition therein, nor any act or communication performed or document executed in the course of negotiating, implementing or seeking approval pursuant to or in furtherance of this Agreement or the settlement:

(a) is, may be deemed, or shall be used, offered or received in any civil, criminal or administrative proceeding in any court, administrative agency, arbitral proceeding or other tribunal against the Released Parties, or each or any of them, as an admission, concession or evidence of, the validity of any Released Claims, the truth of any fact alleged by the Plaintiffs, the

deficiency of any defense that has been or could have been asserted in the Action, the violation of any law or statute, the definition or scope of any term or provision, the reasonableness of the settlement amount or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them;

(b) is, may be deemed, or shall be used, offered or received against any Released Party, as an admission, concession or evidence of any fault, misrepresentation or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

(c) is, may be deemed, or shall be used, offered, or received against the Released Parties, or each or any of them, as an admission or concession with respect to any liability, negligence, fault or wrongdoing or statutory meaning as against any Released Parties, or supporting the certification of a litigation class, in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. However, the settlement, this Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Agreement and/or Settlement may be used in any proceedings as may be necessary to effectuate the provisions of this Agreement. Further, if this Settlement Agreement is approved by the Court, any Party or any of the Released Parties may file this Agreement and/or the Final Order and Judgment in any action that may be brought against such Party or Parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim;

(d) is, may be deemed, or shall be construed against Plaintiffs, the Settlement Classes, the Releasing Parties, or each or any of them, or against the Released Parties, or each or

any of them, as an admission or concession that the consideration to be given hereunder represents an amount equal to, less than, or greater than that amount that could have or would have been recovered after trial; and

(e) is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiffs, the Settlement Classes, the Releasing Parties, or each and any of them, or against the Released Parties, or each or any of them, that any of Plaintiffs' claims are with or without merit, or that damages recoverable in the Action would have exceeded or would have been less than any particular amount.

10.5 The Parties acknowledge that (a) any certification of the Settlement Classes as set forth in this Agreement, including certification of the Settlement Classes for settlement purposes in the context of Preliminary Approval, shall not be deemed a concession that certification of a litigation class is appropriate, or that the Settlement Class definitions would be appropriate for a litigation class, nor would Defendants be precluded from challenging class certification in further proceedings in the Action or in any other action if the Settlement Agreement is not finalized or finally approved; (b) if the Settlement Agreement is not finally approved by the Court for any reason whatsoever, then any certification of the Settlement Classes will be void, the Parties and the Action shall be restored to the status quo ante, and no doctrine of waiver, estoppel or preclusion will be asserted in any litigated certification proceedings in the Action or in any other action; and (c) no agreements made by or entered into by Defendants in connection with the Settlement Agreement may be used by Plaintiffs, any person in the Settlement Classes, or any other person to establish any of the elements of class certification in any litigated certification proceedings, whether in the Action or any other judicial proceeding.

10.6 No person or entity shall have any claim against the Class Representatives, Class Counsel, the Settlement Administrator, or any other agent designated by Class Counsel, or the Released Parties and/or their counsel, arising from distributions made substantially in accordance with this Agreement. The Parties and their respective counsel, and all other Released Parties shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the determination, administration, calculation, or payment of any claim or nonperformance of the Settlement Administrator, the payment or withholding of taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

10.7 All proceedings with respect to the administration, processing and determination of claims and the determination of all controversies relating thereto shall be subject to the jurisdiction of the Court.

10.8 The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

10.9 The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Agreement.

10.10 All the Exhibits to this Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

10.11 This Agreement and its Exhibits set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Settlement Agreement or its Exhibits other than the representations, warranties and covenants contained and memorialized in such documents. This Agreement may be amended or modified

only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

10.12 Except as otherwise provided herein, each Party shall bear its own costs.

10.13 Plaintiffs represent and warrant that they have not assigned any claim or right or interest therein as against the Released Parties to any other Person or Party and that they are fully entitled to release the same.

10.14 Each counsel or other Person executing this Agreement, any of its Exhibits, or any related settlement documents on behalf of any Party hereto, hereby warrants and represents that such Person has the full authority to do so and has the authority to take appropriate action required or permitted to be taken pursuant to the Agreement to effectuate its terms.

10.15 This Agreement may be executed in one or more counterparts. Signature by digital means, facsimile, or in PDF format will constitute sufficient execution of this Agreement. All executed counterparts and each of them shall be deemed to be one and the same instrument.

10.16 This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Released Parties.

10.17 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Agreement, and all Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in this Agreement.

10.18 This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

10.19 This Agreement is deemed to have been prepared by counsel for all Parties, as a result of arm's-length negotiations among the Parties. Because all Parties have contributed

substantially and materially to the preparation of this Agreement, it shall not be construed more strictly against one Party than another.

10.20 Where this Agreement requires notice to the Parties, such notice shall be sent to the undersigned counsel: Gary M. Klinger, Milberg Coleman Bryson Phillips Grossman, PLLC, 227 W. Monroe Street, Suite 2100, Chicago, IL 60606; Joel Griswold, Baker & Hostetler LLP, 200 South Orange Ave., Suite 2300, Orlando, FL 32801.

CLERK OF THE
18TH JUDICIAL CIRCUIT
DUPAGE COUNTY, ILLINOIS

RR
PROPOSED PRELIMINARY APPROVAL ORDER

This matter having come before the Court on Plaintiffs' Unopposed Motion for Preliminary Approval of Class Action Settlement, the Court having reviewed in detail and considered the Motion and Memorandum in support of the Motion, the Class Action Settlement Agreement between Alexander Clarke, Milton Citchens, Andrew Garcia, Ebony Jones, Kyle Swerdlow, Marla Walker, and Ryan Webb (collectively, "Plaintiffs"), and Lemonade, Inc., Lemonade Insurance Company, Lemonade Insurance Agency, LLC, Lemonade, Ltd., and Lemonade Life Insurance Agency, LLC (collectively, "Lemonade" or "Defendants"), and all other papers that have been filed with the Court related to the Settlement Agreement, including all exhibits and attachments to the Motion and the Settlement Agreement, and the Court being fully advised in the premises.

IT IS HEREBY ORDERED AS FOLLOWS:

1. Capitalized terms used in this Order that are not otherwise defined herein have the same meaning assigned to them in the Settlement Agreement.

2. The terms of the Settlement Agreement are preliminarily approved as fair, reasonable, and adequate. There is good cause to find that the Settlement Agreement was negotiated at arm's length between the Parties, who were represented by experienced counsel.

3. For settlement purposes only, the Court finds that the prerequisites to class action treatment under 735 ILCS 5/2-801 – including numerosity, commonality and predominance, adequacy, and appropriateness of class treatment of these claims – have been preliminarily satisfied.

4. The Court hereby conditionally certifies, pursuant to 735 ILCS 5/2-801, and for the purposes of settlement only, the following Settlement Classes:

a. ***Nationwide Settlement Class.*** All Defendants' policyholders in the United States who, between June 25, 2019 and May 27, 2021, provided first notice of loss through a video claim submission from which Defendants or Released Parties could have collected, captured, received, or otherwise obtained or disclosed data or information that could be construed as biometric identifiers of any kind (including, but not limited to retina or iris scan, fingerprint, voiceprint, scan of hand, scan of face geometry, or measurement of any biological feature) and/or biometric information of any kind (including, but not limited to, any information, regardless of how it is captured, converted, stored, or shared, based on an individual's biometric identifier used to identify an individual).

b. ***Illinois Settlement Sub-Class.*** All Defendants' policyholders in the State of Illinois who, between June 25, 2019 and May 27, 2021, provided first notice of loss through a video claim submission from which Defendants or Released Parties could have collected, captured, received, or otherwise obtained or disclosed data or information that could be construed as biometric identifiers of any kind (including, but not limited to retina or iris scan, fingerprint,

voiceprint, scan of hand, scan of face geometry, or measurement of any biological feature) and/or biometric information of any kind (including, but not limited to, any information, regardless of how it is captured, converted, stored, or shared, based on an individual's biometric identifier used to identify an individual).

Excluded from the Settlement Classes are Defendants; all officers, directors, or employees of Defendants; any entity in which any Defendant has a controlling interest; and any affiliate, legal representative, heir, or assign of any Defendant. Also excluded are any federal, state, or local governmental entities, any judicial officer presiding over this action and the members of his/her immediate family and judicial staff, and any juror assigned to this action.

5. For settlement purposes only, Plaintiffs are designated and appointed as Settlement Class Representatives.

6. For settlement purposes only, the following counsel are designated and appointed as Class Counsel: Gary Klinger of Milberg Coleman Bryson Phillips Grossman, PLLC, Katrina Carroll of Lynch Carpenter, LLP, Joseph P. Guglielmo of Scott+Scott Attorneys at Law LLP, Jon Jagher of Freed Kanner London & Millen LLC, and Frederick J. Klorczyk III of Bursor & Fisher, P.A.

7. The Court recognizes that, pursuant to the Settlement Agreement, Defendants retain all rights to object to the propriety of class certification in the Litigation in all other contexts and for all other purposes should the Settlement not be finally approved. Therefore, as more fully set forth below, if the Settlement is not finally approved, and litigation resumes, this Court's preliminary findings regarding the propriety of class certification shall be of no further force or effect whatsoever, and this Order will be vacated in its entirety.

8. The Court approves, in form and content, the forms of Notice attached to the Settlement Agreement as Exhibits A-C, and finds that they meet the requirements of 735 ILCS 5/2-803 and satisfy due process.

9. The Court finds that the planned Notice set forth in the Settlement Agreement meets the requirements of 735 ILCS 5/2-803 and constitutes the best notice practicable under the circumstances, where Class Members are current or former policyholders of Defendants and may be readily ascertained by Defendants' records, and satisfies fully the requirements of due process, and any other applicable law, such that the Settlement Agreement and Final Approval Order will be binding on all Settlement Class Members. In addition, the Court finds that no notice other than that specifically identified in the Settlement Agreement is necessary in this action. The Parties, by agreement, may revise the Class Notice and Claim Form in ways that are not material, or in ways that are appropriate to update those documents for purposes of accuracy or formatting for publication.

10. Epiq Systems, Inc. is hereby appointed Settlement Administrator to supervise and administer the notice process, as well as to oversee the administration of the Settlement, as more fully set forth in the Settlement Agreement.

11. The Settlement Administrator may proceed with the distribution of Class Notice as set forth in the Settlement Agreement.

12. Settlement Class Members shall be bound by all determinations and orders pertaining to the Settlement, including the release of all claims to the extent set forth in the Settlement Agreement, whether favorable or unfavorable, unless such persons request exclusion from the Settlement Classes in a timely and proper manner, as hereinafter provided. Settlement Class Members who do not timely and validly request exclusion shall be so bound even if they

have previously initiated or subsequently initiate litigation or other proceedings against any Released Party relating to the claims released under the terms of the Settlement Agreement.

13. Any person falling within the definition of the Settlement Classes may, upon a valid and timely request, exclude themselves or “opt out” from the Class. Any such person may do so if, on or before the Objection/Exclusion Deadline of August 8, 2022 they comply with the exclusion procedures set forth in the Settlement Agreement and Notice. Any members of the Class so excluded shall neither be bound by the terms of the Settlement Agreement nor entitled to any of its benefits.

14. No person within the Settlement Classes, or any person acting on behalf of, in concert with, or in participation with that person within the Settlement Classes, may request exclusion from the Settlement Classes of any other person within the Settlement Classes.

15. Any person in the Settlement Classes who elects to be excluded shall not: (a) be bound by any orders or the Final Approval Order; (b) be entitled to relief under the Settlement Agreement; (c) gain any rights by virtue of the Settlement Agreement; or (d) be entitled to any aspect of the Settlement Agreement.

16. Defendants have the right to terminate the Settlement Agreement if more than 2% of the total number of Nationwide Settlement Class Members (which include Illinois Settlement Sub-Class members) validly exclude themselves from the Settlement Classes.

17. Any Settlement Class Member who has not requested exclusion from the Settlement Classes and who wishes to object to any aspect of the Settlement Agreement, including the amount of the attorneys’ fees, costs, and expenses that Class Counsel intends to seek and the payment of the Incentive Awards to the Class Representatives, may do so, either personally or through an attorney, by filing a written objection, together with the supporting documentation set

forth in Paragraph 18 of this Order, with the Clerk of the Court, and served upon Class Counsel, Defendants' Counsel, and the Settlement Administrator no later than 45 days after the Notice Date.

18. Any Settlement Class Member who intends to object to the Settlement Agreement must present the objection in writing on a timely basis, and which must be personally signed by the objector, and must include: (1) the objector's name and address; (2) an explanation of the basis upon which the objector claims to be a Settlement Class Member; (3) all grounds for the objection, including all citations to legal authority and evidence supporting the objection; (4) the name and contact information of any and all attorneys representing, advising, or in any way assisting the objector in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection (the "Objecting Attorneys"); and (5) a statement indicating whether the objector intends to appear at the Final Approval Hearing (either personally or through counsel who files an appearance with the Court in accordance with the Local Rules). Any Settlement Class Member who fails to timely file and serve a written objection in accordance with this Order shall be deemed to have waived, and shall be forever foreclosed from raising, any objection to the Settlement, to the fairness, reasonableness, or adequacy of the Settlement, to the payment of attorneys' fees, costs, and expenses, to the payment of any Incentive Award, and to the Final Approval Order and the right to appeal the same.

19. A Settlement Class Member who has not requested exclusion from the Settlement Classes and who has properly submitted a written objection in compliance with the Settlement Agreement, may appear at the Final Approval Hearing in person or through counsel to show cause why the proposed Settlement Agreement should not be approved as fair, reasonable, and adequate. Attendance at the hearing is not necessary; however, persons wishing to be heard orally in opposition to the approval of the Settlement and/or Plaintiffs' Counsel's Fee and Expense

Application and/or the request for any Service Award to the Class Representatives are required to indicate in their written objection their intention to appear at the Final Approval Hearing on their own behalf or through counsel. For any Settlement Class Member who files a timely written objection and who indicates their intention to appear at the Final Approval Hearing on their own behalf or through counsel, such Settlement Class Member must also include in their written objection the identity of any witnesses they may call to testify, and all exhibits they intend to introduce into evidence at the Final Approval Hearing, which shall be attached.

20. No Settlement Class Member shall be entitled to be heard, and no objection shall be considered, unless the requirements set forth in this Order and in the Settlement Agreement are fully satisfied. Any Settlement Class Member who does not make their objection to the Settlement in the manner provided herein, or who does not also timely provide copies to the designated counsel of record for the Parties at the addresses set forth herein, shall be deemed to have waived any such objection by appeal, collateral attack, or otherwise, and shall be bound by the Settlement Agreement, the releases contained therein, and all aspects of the Final Approval Order.

21. Pending the final determination of the fairness, reasonableness, and adequacy of the proposed Settlement Agreement, no Settlement Class Member may prosecute, institute, commence, or continue any lawsuit with respect to the Released Claims against the Released Parties.

22. The Final Approval Hearing shall be held before the Court on August 25, 2022 at 9:00 a.m. in Courtroom 2010 of the Circuit Court of DuPage County, Illinois (or at such other time and location as the Court may without further notice direct) for the following purposes:

(a) to finally determine whether the applicable prerequisites for settlement class action treatment under 735 ILCS 5/2-801 have been met;

(b) to determine whether the Settlement Agreement is fair, reasonable and adequate, and should be approved by the Court;

(c) to determine whether the final order as provided under the Settlement Agreement should be entered including an order prohibiting Settlement Class Members from further pursuing claims released in the Settlement Agreement;

(d) to consider the application for an award of attorneys' fees, costs and expenses of Class Counsel;

(e) to consider the application for a Service Award to the Class Representatives;

(f) to consider the distribution of the Settlement Fund pursuant to the Settlement Agreement; and

(g) to rule upon such other matters as the Court may deem appropriate.

23. Class Counsel shall file papers in support of their Fee Award and Class Representatives' Service Awards (collectively, the "Fee Petition") with the Court on or before July 25, 2022. Defendants may, but are not required to, file a response to Class Counsel's Fee Petition with the Court on or before August 4, 2022. Class Counsel may file a reply in support of their Fee Petition with the Court on or before August 11, 2022.

24. Papers in support of final approval of the Settlement Agreement and any supplementation to the Fee Petition shall be filed with the Court on or before August 11, 2022.

25. The Final Approval Hearing may be postponed, adjourned, transferred or continued by order of the Court without further notice to the Settlement Class. At or following the Final Approval Hearing, the Court may enter a final order approving the Settlement Agreement and a Final Approval Order in accordance with the Settlement Agreement that adjudicates the rights of all Settlement Class Members.

26. Settlement Class Members do not need to appear at the Final Approval Hearing or take any other action to indicate their approval.

27. The Court will have continuing jurisdiction over the Action for the purpose of implementing the Settlement until the Action and all related matters are fully resolved, and for enforcement of the Settlement, the Settlement Agreement and Final Order thereafter.

28. All discovery and other proceedings in the Litigation as between Plaintiffs and all Defendants are stayed and suspended until further order of the Court except such actions as may be necessary to implement the Settlement Agreement and this Order.

29. The Parties to the Settlement Agreement are directed to carry out their obligations under the terms thereof.

30. In accordance with the provisions of the Settlement Agreement specifying the procedures for settlement administration and payment to Class Members, the Court enumerates below the following deadlines:

Event	Reference timeframe	Date

Who We Are

Established by members of Milberg Phillips Grossman LLP, Sanders Phillips Grossman LLC, Greg Coleman Law PC, and Whitfield Bryson LLP, the firm represents plaintiffs in the areas of antitrust, securities, financial fraud, consumer protection, automobile emissions claims, defective drugs and devices, environmental litigation, financial and insurance litigation, and cyber law and security.

For over 50 years, Milberg and its affiliates have been protecting victims' rights and have recovered over \$50 billion for our clients. Our attorneys possess a renowned depth of legal expertise, employ the highest ethical and legal standards, and pride ourselves on providing stellar client service. We have repeatedly been recognized as leaders in the plaintiffs' bar and appointed to leadership roles in prominent national mass torts and class actions.

Milberg challenges corporate wrongdoing through class action, mass tort, consumer, and shareholder rights services, both domestically and globally.

Milberg's previous litigation efforts helped to create a new era of corporate accountability that put big companies on notice. The strategic combination of four leading plaintiffs' firms offers clients expanded capabilities, greater geographical coverage, enhanced financial breadth, and increased operational capacity. It also enables the firm to serve diverse and global clients who are seeking to enforce their rights against well-financed corporations—wherever they operate.

Practice Areas

Antitrust & Competition Law

Today, on a global scale, consolidated corporate entities exercise dominating market power, but proper enforcement of antitrust law ensures a fair, competitive marketplace. Milberg prosecutes complex antitrust class actions against large, well-funded corporate defendants in healthcare, technology, agriculture, and manufacturing. Our leading practitioners successfully represent plaintiffs affected by price-fixing, monopolization, monopoly leveraging tying arrangements, exclusive dealing, and refusals to deal. The firm continues aggressively vindicating rights of plaintiffs victimized by antitrust violations, holding companies accountable for anticompetitive behavior.

Complex Litigation

With 50 years of vetted success, Milberg handles complex, high-stakes cases at any stage of the litigation process. Our attorneys have experience litigating complex cases for business and plaintiffs outside of class action context, business torts, contract disputes, anti-SLAPP motions, corporations, LLCs, partnerships, real estate, and intellectual property. The repeated success of our attorneys against well-funded adversaries with top-tier counsel has established Milberg as the go-to firm for complex litigation.

Consumer Products

Milberg's consumer litigation group focuses on protecting victims of deceptive marketing and advertising of goods and services, or those who have bought defective products. Our attorneys are experienced in handling a wide array of consumer protection lawsuits, including breach of contract, failure to warn, false or deceptive advertising of goods and services, faulty, dangerous, or defective products, warranty claims, unfair trade practices, and notable product cases. Milberg has achieved real-world recoveries for clients, often requiring corporations to change the way they do business. Our team of attorneys has extensive experience representing plaintiffs against well-resourced and sophisticated defendants.

Consumer Services

Consumers have rights, and companies providing consumer services have a legal obligation to abide by contractual agreements made with customers. Companies must also follow state and federal laws that prohibit predatory, deceptive, and unscrupulous business practices. Milberg's Consumer Services litigation group protects consumers whose rights have been violated by improperly charged fees, predatory and discriminatory lending, illegal credit reporting practices, and invasion of privacy. We also enforce consumer rights by upholding The Fair Credit Reporting Act and Telephone Consumer Protection Act.

Class Action Lawsuits

Milberg pioneered federal class action litigation and is recognized as a leader in defending the rights of victims of corporate and large-scale wrongdoings. We have the manpower, resources, technology, and experience necessary to provide effective representation in nationwide class action lawsuits. Our attorneys have led class actions resulting in settlements up to billions of dollars across a variety of practice areas, including defective consumer products, pharmaceutical drugs, insurance, securities, antitrust, environmental and toxic torts, consumer protection, and breach of contract.

Dangerous Drugs & Devices

For some patients, medication and medical devices improve their lives. For others, the drugs and equipment have questionable benefits, at best, and serious, unintended side effects at worst. Taking on drug and device makers requires a law firm that can stand up to the world's largest, most powerful companies. Our defective drug lawyers have held leadership roles in many national drug and device litigations, recovering billions of dollars in compensation.

Data Breach, Cyber Security & Biometric Data Lawsuits

Technology changes faster than laws regulate it. Staying ahead of legal technical issues requires a law firm that can see the full picture of innovation and apply past lessons to navigate fast-moving developments, putting consumers ahead of corporate interests. Our data breach and privacy lawyers work at the cutting edge of technology and law, creating meaningful checks and balances against technology and the companies that wield it. Cyber security threats continue evolving and posing new consumer risks. Milberg will be there every step of the way to protect consumer privacy and hold big companies accountable.

Environmental and Toxic Torts Litigation

Litigation is key in fighting to preserve healthy ecosystems and hold environmental lawbreakers accountable. But in today's globalized world, pollutants—and polluters—are not always local. Corporations have expanded their reach and ability to cause harm. Our environmental litigation practice focuses on representing clients in mass torts, class actions, multi-district litigation, regulatory enforcement, citizen suits, and other complex environmental and toxic tort matters. The companies involved in harmful environmental practices are large, wealthy, and globally influential, but as an internationally recognized plaintiffs' firm, Milberg has the strength and resources to present clients seeking to enforce their environmental rights against well-financed corporations—wherever they operate.

Finance & Insurance Litigation

Big banks and public insurance firms are obligated by their corporate charters to put shareholders' interests ahead of client interests. However, that doesn't mean they can deceive clients to profit at their expense. Milberg's attorneys handle hundreds of insurance-related disputes, including first party bad faith insurance cases, business interruption cases, and hurricane insurance cases. As one of the nation's top class action law firms, we are well-positioned to pursue insurance bad faith cases on a statewide or nationwide basis.

Public Client Representation

The ability of governments to serve and protect their residents is often threatened by the combination of lower revenues and rising costs. Budget shortfalls are increasing in part because private companies externalize costs, but while corporate profits grow, public interest pays the price. Effectuating meaningful change through litigation, Milberg partners with state and local governments to address the harms facing its residents. Internationally, Milberg's Public Client Practice has achieved success against global powerhouse corporations, including drug, tobacco, mining, and oil and gas companies.

Securities Litigation

Over 50 years ago, Milberg pioneered litigation claims involving investment products, securities, and the banking industry by using class action lawsuits. Our litigation set the standard for case theories, organization, discovery, methods of settlement, and amounts recovered for clients. Milberg continues to aggressively pursue these cases on behalf of institutional and individual investors harmed by financial wrongdoing. Inventors of securities class actions, Milberg has decades of experience holding companies accountable both in the United States and globally.

Whistleblower & Qui Tam

Blowing the whistle on illegal or unethical conducted is a form of legally protected speech. Milberg's whistleblower attorneys have led actions that returned hundreds of millions of dollars in ill-gotten gains, resulting in significant awards of our clients. Our legacy of standing up to corporate power extends to advocating for greater transparency. In addition to representing whistleblowers, we fight back against corporate-backed laws seeking to deter them from making disclosures.

SCOTT A. BORSOR

Mr. Borsor has an active civil trial practice, having won multi-million verdicts or recoveries in six of six civil jury trials since 2008. Mr. Borsor's most recent victory came in May 2019 in *Perez v. Rash Curtis & Associates*, in which Mr. Borsor served as lead trial counsel and won a \$267 million jury verdict against a debt collector for violations of the Telephone Consumer Protection Act (TCPA).

In *Ayyad v. Sprint Spectrum L.P.* (2013), where Mr. Borsor served as lead trial counsel, the jury returned a verdict defeating Sprint's \$1.06 billion counterclaim and securing the class's recovery of more than \$275 million in cash and debt relief.

In *Thomas v. Global Vision Products, Inc.* (2009), the jury returned a \$50 million verdict in favor of the plaintiff and class represented by Mr. Borsor. The legal trade publication VerdictSearch reported that this was the second largest jury verdict in California in 2009.

Class actions are rarely tried to verdict. Other than Mr. Borsor and his partner Mr. Fisher, we know of no lawyer that has tried more than one class action to a jury. Mr. Borsor's perfect record of six wins in six class action jury trials, with recoveries ranging from \$21 million to \$299 million, is unmatched by any other lawyer. Each of these victories was hard-fought against top trial lawyers from the biggest law firms in the United States.

Mr. Borsor graduated from the University of Texas Law School in 1996. He served as Articles Editor of the Texas Law Review, and was a member of the Board of Advocates and Order of the Coif. Prior to starting his own practice, Mr. Borsor was a litigation associate at a large New York based law firm where he represented telecommunications, pharmaceutical, and technology companies in commercial litigation.

Mr. Borsor is a member of the state bars of New York, Florida, and California, as well as the bars of the United States Court of Appeals for the Second, Third, Fourth, Sixth, Ninth and Eleventh Circuits, and the bars of the United States District Courts for the Southern and Eastern Districts of New York, the Northern, Central, Southern and Eastern Districts of California, the Southern and Middle Districts of Florida, and the Eastern District of Michigan.

Representative Cases

Mr. Borsor was appointed lead or co-lead class counsel to the largest, 2nd largest, and 3rd largest classes ever certified. Mr. Borsor has represented classes including more than 160 million class members, roughly 1 of every 2 Americans. Listed below are recent cases that are representative of Mr. Borsor's practice:

Mr. Borsor negotiated and obtained court-approval for two landmark settlements in *Nguyen v. Verizon Wireless* and *Zill v. Sprint Spectrum* (the largest and 2nd largest classes ever certified). These settlements required Verizon and Sprint to open their wireless networks to third-party devices and applications. These settlements are believed to be the most significant legal development affecting the telecommunications industry since 1968, when the FCC's Carterfone decision similarly opened up AT&T's wireline telephone network.

Mr. Bursor was the lead trial lawyer in *Ayyad v. Sprint Spectrum, L.P.* representing a class of approximately 2 million California consumers who were charged an early termination fee under a Sprint cellphone contract, asserting claims that such fees were unlawful liquidated damages under the California Civil Code, as well as other statutory and common law claims. After a five-week combined bench-and-jury trial, the jury returned a verdict in June 2008 and the Court issued a Statement of Decision in December 2008 awarding the plaintiffs \$299 million in cash and debt cancellation. Mr. Bursor served as lead trial counsel for this class again in 2013 during a month-long jury trial in which Sprint asserted a \$1.06 billion counterclaim against the class. Mr. Bursor secured a verdict awarding Sprint only \$18.4 million, the exact amount calculated by the class's damages expert. This award was less than 2% of the damages Sprint sought, less than 6% of the amount of the illegal termination fees Sprint charged to class members. In December 2016, after more than 13 years of litigation, the case was settled for \$304 million, including \$79 million in cash payments plus \$225 million in debt cancellation.

Mr. Bursor was the lead trial lawyer in *White v. Cellco Partnership d/b/a Verizon Wireless* representing a class of approximately 1.4 million California consumers who were charged an early termination fee under a Verizon cellphone contract, asserting claims that such fees were unlawful liquidated damages under the California Civil Code, as well as other statutory and common law claims. In July 2008, after Mr. Bursor presented plaintiffs' case-in-chief, rested, then cross-examined Verizon's principal trial witness, Verizon agreed to settle the case for a \$21 million cash payment and an injunction restricting Verizon's ability to impose early termination fees in future subscriber agreements.

Mr. Bursor was the lead trial lawyer in *Thomas v. Global Visions Products Inc.* Mr. Bursor represented a class of approximately 150,000 California consumers who had purchased the Avacor® hair regrowth system. In January 2008, after a four-week combined bench-and-jury trial, Mr. Bursor obtained a \$37 million verdict for the class, which the Court later increased to \$40 million.

Mr. Bursor was appointed class counsel and was elected chair of the Official Creditors' Committee in *In re Nutraquest Inc.*, a Chapter 11 bankruptcy case before Chief Judge Garrett E. Brown, Jr. (D.N.J.) involving 390 ephedra-related personal injury and/or wrongful death claims, two consumer class actions, four enforcement actions by governmental agencies, and multiple adversary proceedings related to the Chapter 11 case. Working closely with counsel for all parties and with two mediators, Judge Nicholas Politan (Ret.) and Judge Marina Corodemus (Ret.), the committee chaired by Mr. Bursor was able to settle or otherwise resolve every claim and reach a fully consensual Chapter 11 plan of reorganization, which Chief Judge Brown approved in late 2006. This settlement included a \$12.8 million recovery to a nationwide class of consumers who alleged they were defrauded in connection with the purchase of Xenadrine® dietary supplement products.

Mr. Bursor was the lead trial lawyer in *In re: Pacific Bell Late Fee Litigation*. After filing the first class action challenging Pac Bell's late fees in April 2010, winning a contested motion to certify a statewide California class in January 2012, and defeating Pac Bell's motion for summary judgment in February 2013, Mr. Bursor obtained final approval of the \$38 million class settlement. The settlement, which Mr. Bursor negotiated the night before opening statements were scheduled to commence, included a \$20 million cash payment to provide

refunds to California customers who paid late fees on their Pac Bell wireline telephone accounts, and an injunction that reduced other late fee charges by \$18.6 million.

Mr. Fisher has handled cases involving a wide range of issues including nutritional labeling, health care, telecommunications, corporate governance, unfair business practices and consumer fraud. With his partner Scott A. Bursor, Mr. Fisher has tried five class action jury trials, all of which produced successful results. In *Thomas v. Global Vision Products*, Mr. Fisher obtained a jury award of \$50,024,611 — the largest class action award in California in 2009 and the second-largest jury award of any kind. In 2019, Mr. Fisher served as trial counsel with Mr. Bursor and his partner Yeremey Krivoshey in *Perez. v. Rash Curtis & Associates*, where the jury returned a verdict for \$267 million in statutory damages under the Telephone Consumer Protection Act.

Mr. Fisher was admitted to the State Bar of California in 1997. He is also a member of the bars of the United States Court of Appeals for the Ninth Circuit, the United States District Courts for the Northern, Central, Southern and Eastern Districts of California, the Northern District of Illinois, the Eastern District of Michigan, and the Eastern District of Missouri. In 2010, he contributed jury instructions, a verdict form and comments to the consumer protection chapter of Justice Elizabeth A. Baron's *California Civil Jury Instruction Companion Handbook* (West 2010). Representative Cases

Thomas v. Global Vision Products, Inc. (Alameda County Superior Court). Mr. Fisher litigated claims against Global Vision Products, Inc. and other individuals in connection with the sale and marketing of a purported hair loss remedy known as Avacor. The case lasted more than seven years and involved two trials. The first trial resulted in a verdict for plaintiff and the class in the

amount of \$40,000,000. The second trial resulted in a jury verdict of \$50,024,611, which led to a \$30 million settlement for the class.

In re Cellphone Termination Fee Cases - Handset Locking Actions (Alameda County Superior Court). Mr. Fisher actively worked on five coordinated cases challenging the secret locking of cell phone handsets by major wireless carriers to prevent consumers from activating them on competitive carriers' systems. Settlements have been approved in all five cases on terms that require the cell phone carriers to disclose their handset locks to consumers and to provide unlocking codes nationwide on reasonable terms and conditions. The settlements fundamentally changed the landscape for cell phone consumers regarding the locking and unlocking of cell phone handsets.

In re Cellphone Termination Fee Cases - Early Termination Fee Cases (Alameda County Superior Court and Federal Communications Commission). In separate cases that are a part of the same coordinated litigation as the Handset Locking Actions, Mr. Fisher actively worked on claims challenging the validity under California law of early termination fees imposed by national cell phone carriers. In one of those cases, against Verizon Wireless, a nationwide settlement was reached after three weeks of trial in the amount of \$21 million. In a second case, which was tried to verdict, the Court held after trial that the \$73 million of flat early termination fees that Sprint had collected from California consumers over an eight-year period were void and unenforceable.

REPRESENTATIVE CASES

CONSUMER PROTECTION/PRODUCTS LIABILITY

In re Robinhood Outage Litig., No. 20-cv-1626 (N.D. Cal.). In July 2020, Jamisen Etzel was appointed to the executive committee overseeing consolidated actions brought by consumers who sustained losses when the trading application Robinhood suffered severe service outages in early 2020 during a period of intense market volatility. A consolidated amended complaint was filed in August 2020, and rulings on Robinhood’s initial dispositive motion is expected in early 2021.

Morrow v. Ann Inc., 16-cv-3340 (S.D.N.Y.). Lynch Carpenter attorneys were co-class counsel in a case alleging deceptive pricing practices by a major national retail chain. After plaintiffs overcame a motion to dismiss, the case settled for \$6.1 million worth of class benefits. The settlement was approved in April 2018.

Luca v. Wyndham Hotel Group, LLC, 2:16-cv-746 (W.D. Pa.). Lynch Carpenter attorneys were co-lead counsel in a class action against the Wyndham hotel companies for violations of New Jersey consumer protection statutes. Plaintiffs alleged that Wyndham’s websites deceptively masked the resort fees charged at certain hotels and forced patrons to agree to illegal terms and conditions. In 2017, plaintiffs defeated a motion to dismiss filed by two of the primary operating subsidiaries. A class settlement worth up to \$7.6 million was reached in 2019 and approved later that year.

Van v. LLR, Inc., 3:18-cv-0197 (D. Ak.); 962 F.3d 1160 (9th Cir. 2020). Lynch Carpenter partners Jamisen Etzel and Kelly Iverson won a significant consumer rights ruling from the United States Court of Appeals for the Ninth Circuit. The action alleged the defendant’s overcharged customers over the course of more than a year; however, after notice of the suit but before it was filed, the defendant refunded the entire class – but only the amount overcharged without interest or other statutory damages. The district judge dismissed the action based on lack of subject matter jurisdiction after finding that the consumers’ lost time value of money was “too little” to be a constitutionally recognizable harm. The appeals court reversed and, in a published decision, held that the temporary loss of money is a sufficient “injury-in-fact” under Article III of the Constitution to confer standing on a consumer to file a federal lawsuit. In September 2021, the District of Alaska certified a class of consumers asserting claims under Alaska’s Unfair Trade Practices and Consumer Protection Act.

Robert Brown, et al. v. Electrolux Home Products, Inc., d/b/a Frigidaire, No. 15-11455 (11th Cir.). In July 2015, Lynch Carpenter attorneys co-authored a brief on behalf of Public Justice, P.C.; the National Association of Consumer Advocates; U.S. PIRG (United States Public Interest Research Group); Consumer Action; and the Consumer Federation of California, appearing as *amici curiae* to the Eleventh Circuit and arguing in support of affirmance of a district court's certification of a class of purchasers of defective washing machines.

Kobylanski v. Motorola Mobility, Inc., et al., No. 2:13-cv-1181 (W.D. Pa.). Lynch Carpenter attorneys represented purchasers of MOTOACTV wearable fitness devices who alleged that the devices, although marketed as "sweat-proof" and "rain-resistant," were in fact susceptible to damage from even slight amounts of moisture. A settlement was reached which provided for full refunds for class members who had previously submitted a claim for water damage to Motorola but were denied a repair or replacement, and additional forms of relief for class members who had not previously complained of water damage. The settlement was approved in October 2014.

Quinn et al. v. Walgreen Co., Wal-Mart Stores, Inc., Supervalu, Inc., and Perrigo Company of South Carolina, Inc., No. 7:12-cv-8187 (S.D.N.Y.). Lynch Carpenter attorneys served as co-lead counsel on behalf of purchasers of glucosamine/chondroitin products manufactured by Perrigo and sold by various retailers. A settlement was reached in 2014 which provided for a total settlement fund of \$2.8 million and provided for full or partial refunds to class members who submitted valid claims. Final approval was granted in March 2015.

In re Nutramax Cosamin Marketing and Sales Practices Litigation – MDL No. 2498, (D. Md.). Lynch Carpenter attorneys represented several plaintiffs in nationwide litigation regarding Nutramax's false and misleading marketing of glucosamine/chondroitin supplements, which multiple studies have determined to be without efficacy for the conditions they purport to treat. After the cases were consolidated for pre-trial proceedings, Lynch Carpenter partner Ed Kilpela was appointed to the Executive Committee overseeing the litigation.

Howard's Towing Unfair Trade Practices Litigation, (C.P. Allegheny County, Pennsylvania). Lynch Carpenter partner Kelly Iverson is currently co-lead counsel representing individuals in a series of coordinated cases against various property operators and a towing company alleged to be charging more than allowed by law for the return of vehicles that were towed from parking lots. In June 2021, Judge Ignelzi granted the Plaintiffs' motions for class certification.

In re Wireless Phone Equipment Replacement Insurance Litigation, (C.P. Allegheny County, Pennsylvania). Lynch Carpenter attorneys were lead counsel in this national litigation alleging consumer fraud in connection with wireless phone equipment replacement insurance. In November 2004, the Court approved a class settlement and entered Findings of Fact and Conclusions of Law which commented on the adequacy of Lynch Carpenter attorney Gary Lynch as co-lead counsel as follows:

“Class counsel have abundant experience as lead counsel in consumer class action litigation. Indeed, class counsel have frequently appeared before this Court. Other courts have routinely recognized class counsels’ adequacy This Court readily agrees with these other courts, and finds that Bruce Carlson and Gary Lynch are more than adequate counsel, and indeed are capable and diligent class action attorneys.”

Mednick v. Precor, Inc., No. 14-cv-03624 (N.D. Ill.): Lynch Carpenter partner Katrina Carroll served as court-appointed Co-Lead Counsel in this products liability matter concerning the heart rate monitoring feature on Precor fitness machines. Due to Ms. Carroll’s efforts, the plaintiffs defeated a contested class certification motion and obtained class certification for a multi-state consumer class. Ms. Carroll was instrumental in negotiating a class settlement providing meaningful relief for class members shortly thereafter, for which the Court recently issued final approval.

Bishop et al. v. Behr Process Corp. et al., No. 1:17-cv-4464 (N.D. Ill.): Katrina Carroll currently serves as court-appointed Co-Lead Counsel in this national products liability class action matter relating to defective deck paint. Together with her co-counsel, Ms. Carroll obtained a substantial settlement for the class, which has been finally approved by the Court and is currently being administered.

In re Rust-Oleum Restore Marketing, Sales Practices and Prods. Liab. Litig. No. 1:15-cv-1364 (N.D. Ill.): In this sprawling products liability MDL relating to defective deck resurfacing products, Katrina Carroll was instrumental in negotiating a \$9.3 million settlement providing meaningful relief to consumers, which received final approval in March of 2017 by the Honorable Amy J. St. Eve of the United States District Court for the Northern District of Illinois, now a sitting Judge of the Court of Appeals for the Seventh Circuit. Over the course of the litigation, among other things, the court resolved an extremely challenging motion to dismiss substantially in plaintiffs’ favor, issuing a sixty-page opinion, oft-cited in warranty and consumer fraud class actions across the country. Katrina oversaw the plaintiffs’ briefing on that motion.

FINANCIAL FRAUD, LENDING PRACTICES, AND SECURITIES

In re: FedLoan Student Loan Servicing Litigation – MDL No. 2833, (E.D. Pa.). Lynch Carpenter serves as court-appointed co-lead counsel on behalf of student loan borrowers and federal grant recipients in this multidistrict litigation. The claims relate to widespread and systemic failures on the part of a student loan servicer and the U.S. Department of Education to adequately service the programs and advise its participant. A consolidated complaint was filed in November 2019. As of January 2020, a motion to dismiss is fully briefing and currently awaiting resolution by the Court.

CitiMortgage SCRA Litigation, (S.D.N.Y.). Lynch Carpenter attorneys were tri-lead counsel in this class action against CitiMortgage on behalf of Sergeant Jorge Rodriguez in the Southern District of New York. This case alleges that CitiMortgage improperly foreclosed upon Mr. Rodriguez's home (and the homes of similarly situated individuals) while he was serving his country in Iraq, in violation of the Servicemembers Civil Relief Act. The case settled and received final approval in October 2015, securing a total recovery of \$38.2 million for members of our military service.

Pitts v. NovaStar Home Loans, Inc. et al., (S.D. Ga.). Lynch Carpenter attorneys were co-lead counsel for plaintiffs in this national RESPA class action. The Southern District of Georgia was the MDL court for this litigation. After the Court denied defendant's motion to dismiss, after the Court denied defendants' motion for summary judgment and granted plaintiffs' motion for class certification in a related Maryland state court action – where Lynch Carpenter attorneys were also co-lead counsel -- and after extensive discovery including the video depositions of several of defendants' top executives, the parties participated in multiple mediation sessions and ultimately arrived at a national cash settlement on behalf of class members for \$17.3 million.

In re Community Bank of Northern Virginia and Guaranty National Bank of Tallahassee Secondary Mortgage Loan Litigation, (W.D. Pa./3d Cir.). Lynch Carpenter attorneys were co-lead class counsel in this national litigation on behalf of second mortgage borrowers under the Real Estate Settlement Procedures Act. The class was certified by the district court and affirmed by the Third Circuit, 795 F.3d 380 (2015). A class settlement was finalized in early 2017 and obtained a total recovery of \$24 million.

Kahrer v. Ameriquest Mortgage Co., (W.D. Pa./MDL N.D. Ill.). Lynch Carpenter attorneys were counsel for plaintiff in connection with this consolidated group of class actions alleging the existence of a kick-back scheme in violation of RESPA, along with numerous other unfair lending

practices. The specific case being handled by Lynch Carpenter attorneys created new law under RESPA. Specifically, Lynch Carpenter attorneys filed this action as a test case to challenge what they viewed as a negative trend in the law regarding how federal trial courts were determining whether a consumer has standing to sue under RESPA, as well as the manner in which damages are calculated under RESPA. Every prior federal trial court to consider these issues had sided with defendants. In opposing the Ameriquest motion to dismiss that was filed in this case, Lynch Carpenter attorneys argued that these other federal trial courts had fundamentally misinterpreted the legislative history of RESPA in their decisions to dismiss the prior cases. In a seminal decision, the United States District Court for the Western District of Pennsylvania departed from the holdings issued by these other federal courts, denying the motion to dismiss. *See Kahrer v. Ameriquest Mortgage Co.*, 418 F.Supp.2d 748 (W.D. Pa. 2006) (Hay, J.). Multiple federal courts of appeals have adopted the *Kahrer* reasoning, including at least the Sixth and Third Circuits. This case was ultimately settled as part of MDL proceedings against Ameriquest in the Northern District of Illinois, and final approval of the settlement was granted.

Bannon v. First One Lending, Inc., (C.P., Allegheny County, Pennsylvania). Lynch Carpenter attorneys were co-lead counsel in this class action filed on behalf of Pennsylvania second mortgage loan borrowers alleging that they were charged excessive settlement fees in violation of the Pennsylvania Secondary Mortgage Loan Act. After the court denied defendant's motion to dismiss, the case ultimately settled, and plaintiffs and the class were refunded 100% of the alleged overcharges.

In re Tenet Healthcare Corp. Securities Litigation, 02-cv-8462 (C.D. Cal.). Prior to joining the firm, Katrina Carroll represented the State of New Jersey's Division of Investment in this securities class action against Tenet Healthcare and its outside auditor, KPMG, related to false and misleading public statements those entities made between 2000 and 2002 about Tenet's financial health. Katrina played a large role in drafting motions *in limine* briefing issues regarding the admissibility of plaintiff's expert witness report. Tenet settled in 2006 for \$215 million, and KPMG settled in 2008 for \$65 million.

In re Motorola Securities Litig., 03-cv-287 (N.D. Ill.). Katrina Carroll represented the State of New Jersey's Division of Investment in this securities class action against Motorola, stemming from misrepresentations made by the company regarding a \$2 billion loan it made to a Turkish entity that was not repaid. The case settled a few days before trial for \$190 million.

PRIVACY & DATA BREACH LITIGATION

In re Equifax, Inc. Customer Data Security Breach Litig., MDL 2800 (N.D. Ga.). The Equifax data breach compromised the nation’s entire credit reporting system. Lynch Carpenter founder Gary Lynch was retained by the Independent Community Bankers of America, along with several banks and credit unions, to institute litigation against Equifax on behalf of a class of all financial institutions in the nation for damages resulting from the data breach. The financial institutions, as providers and purchasers of information within the credit reporting system, were severely impacted by the Equifax data breach, in which 147.9 million U.S. consumers – roughly 46% of the U.S. population and nearly 60% of all adults in the U.S. – had their highly sensitive personally identifying information (“PII”) and payment card data (“PCD”) compromised between May and July 2017 (the “Data Breach”). More than 400 lawsuits filed by consumers and financial institutions were consolidated in the MDL. Gary Lynch was appointed co-lead counsel for financial institution plaintiffs in this multidistrict litigation. After significant dispositive motions practice and initial rounds of discovery, the parties negotiated a settlement of the financial institution class action that provides up to \$7.75 million in cash benefits, plus additional injunctive relief. The court granted preliminary approval of the settlement in June 2020 and final approval in October 2020.

In re Target Corporation Customer Data Breach Litig., 0:14-md-02522, MDL 2522 (D. Minn.). This multidistrict litigation arose out of the massive data breach that occurred in late 2013. Judge Magnuson appointed Gary Lynch to the five-member Plaintiffs’ Executive Committee that managed the litigation on behalf of all Plaintiffs’ tracks (consumer, financial institution, and shareholder). A settlement agreement which provided \$10 million to affected individual customers was granted final approval in November 2015. A separate settlement providing approximately \$39 million in relief to plaintiff financial institutions was granted final approval in May 2016.

In re TikTok, Inc., Consumer Privacy Litig., No. 20-cv-4699 (MDL No. 2948) (N.D. Ill.). Judge Lee appointed Katrina Carroll as Co-Lead Counsel in this multidistrict litigation alleging that one of the world’s biggest social media platforms captured, collected, and transmitted personal data from TikTok users and their devices without their consent and/or knowledge, including private information and biometric information within the meaning of the Illinois Biometric Information Privacy Act.

First Choice Federal Credit Union v. The Wendy’s Company et al, 2:16-cv-0506, (W.D. Pa.). This class action arose out of a data breach alleged to have begun in October 2015, when computer hackers installed malware on the point-of-sale systems of Wendy’s franchised restaurants for the purpose of capturing and ex-filtrating customer payment card data (the “Data Breach”). It is estimated that approximately 18 million payment cards were exposed in the Data

Breach. The United States District Court for the Western District of Pennsylvania consolidated several proposed class actions and appointed Gary Lynch as Co-Lead Counsel on behalf of the Plaintiff financial institutions. Plaintiffs filed an early motion seeking to apply *Ohio law to Plaintiffs' claims on a nationwide basis, proposing to the Court that the choice of law issue*, which is normally not decided until the class certification or summary judgment stage, could be decided early, under Rule 1's mandate that the rules be interpreted to "secure the just, speedy and inexpensive determination of every action and proceeding." Wendy's opposed the motion. On June 6, 2018, the Court adopted the Magistrate's Report and Recommendation to grant the motion and to apply Ohio law to the negligence and negligence *per se* claims. In November 2018, after three rounds of in-person mediation, Wendy's agreed to pay \$50 million into a non-reversionary fund and to adopt and/or maintain certain reasonable safeguards to manage its data security risks. When the settlement received final approval in November 2019, the Honorable Maureen P. Kelly noted Class Counsel's "national reputation," "significant experience in these types of class actions and in data breach litigation," and "high level of skill and efficiency." Judge Kelly further explained:

This case has gone on for three and a half years...This was a very involved case and everyone brought to the table an incredible wealth of knowledge, was always prepared, really was thorough and professional in everything that was provided to the Court. And as involved as this case was, if every case I had was as well organized and professionally presented as this case has been, my life would be much easier... The briefs I got in this case and any filings were just so well-done and detailed. And my law clerks and I have discussed that a number of times. I want to thank counsel for the way you have conducted yourselves and the way you've all presented this case.

In re Home Depot Customer Data Breach Litig., 1:14-md-02583, MDL 2583 (N.D. Ga.). In this multidistrict litigation, Lynch Carpenter attorneys represented financial institutions in litigation related to the major data breach at the retailer which continued for almost six months in 2014 and resulted in the compromise of approximately 56 million payment card accounts. Gary Lynch was appointed by Judge Thrash to be one of three lead counsel managing the financial institution track of the litigation. Over forty financial institutions and seventeen credit union associations filed a consolidated complaint in May 2015. Judge Thrash denied the majority of Home Depot's motion to dismiss on May 18, 2016. In September 2017, the Court granted final approval to a comprehensive class settlement that provides over \$27 million in relief to the financial institution class.

Veridian Credit Union v. Eddie Bauer LLC, 2:17-cv-356 (W.D. Wash.). Gary Lynch served as co-lead counsel on behalf of a class of financial institutions in this class action against Eddie Bauer arising out of payment card data breach of the retailer's point-of-sale systems in 2016, which led to the exposure of up to 1.4 million payment cards. After overcoming a motion to dismiss and engaging in substantial discovery, the parties negotiated a class action settlement, which was approved in 2019. The agreement made up to \$2.8 million available in direct cash relief to class members and provided for an addition \$7 million worth of injunctive relief and other benefits.

In Re: Solara Medical Supplies Data Breach Litigation, 19-cv-02284 (S.D. Cal.). In January 2020, Judge Marilyn Huff appointed Kelly Iverson to the Plaintiffs' Steering Committee in this data breach action that affected both the personally identifiable information as well as protected health information of Plaintiffs' and the classes.

In re Wawa, Inc. Data Security Litig, 2:19-cv-6019 (E.D. Pa.). Gary Lynch was appointed co-lead counsel for a putative class of financial institution plaintiffs in consolidated actions brought against Wawa, Inc. arising out of a 2019 payment card data breach involving the convenience store's point-of-sale systems. A consolidated amended complaint was filed in July 2020, and as of February 2021, the defendant's motion to dismiss is fully briefed and awaiting disposition.

Dittman et al v. UPMC d/b/a The University of Pittsburgh Medical Center and UPMC McKeesport, (Allegheny Cty., Pa. No. GD-14-003285). Lynch Carpenter is representing several employees of the health care group UPMC in a class action stemming from a breach of UPMC's personnel files. On November 21, 2018, the Supreme Court of Pennsylvania issued a landmark decision, reversing two lower courts, regarding the viability of common law negligence claims in the wake of a data breach. The Court found that UPMC engaged in affirmative conduct by

collecting and storing employee data, and that general principles of negligence support holding actors to “a duty to others to exercise the care of a reasonable man to protect [others] against an unreasonable risk of harm to them arising out of the act.” As to the economic loss doctrine, the Court agreed with Plaintiffs’ interpretation of Pennsylvania legal precedent on the issue, finding that the question of whether the economic loss doctrine applies necessarily turns on the “source of the duty alleged,” and, accordingly, a plaintiff may seek pecuniary damages under a negligence theory if the duty sought to be enforced arises independently of any contractual relationship between the parties. After remand to the trial court, additional motions practice, and initiating discovery, the parties reached a settlement that received preliminary approval.

In re Anthem, Inc. Customer Data Security Breach Litig., No. 5:15-md-02617, MDL 2617 (N.D. Cal.). Lynch Carpenter attorneys represented customers of a national health insurer which experienced a data breach involving the personal information, including social security numbers, of up to an estimated 80 million customers. The case was consolidated and transferred to the Northern District of California in June 2015. Lynch Carpenter attorneys participated in discovery related to Highmark, the Pennsylvania-based member of the Blue Cross Blue Shield Association and a co-defendant in the MDL. The parties reached a settlement valued at \$117 million, which was approved by the Court.

In re Community Health Systems, Inc., Customer Data Security Breach Litigation, 2:15-cv-00222, MDL 2595 (N.D. Ala.). Gary Lynch served as a member of the plaintiffs’ steering committee in consolidated multidistrict litigation stemming from a 2014 data breach involving one of the nation’s largest hospital chains. The breach affected over 200 hospitals and the sensitive personal information of approximately 4.5 million patients was compromised. The action settled on a class basis for up to \$3.1 million.

In re Arby’s Restaurant Group, 1:17-mi-55555 (N.D. Ga.). The case was consolidated and transferred to the Eastern District of Missouri in December 2015. Judge Ross appointed Gary Lynch and Katrina Carroll (while with her prior firm) to the Executive Committee. A class settlement for \$11.2 million was given final approval in November 2017.

In re Vizio, Inc. Consumer Privacy Litig., MDL No. 2693 (C.D. Cal.). This action was filed on behalf of individuals who purchased Vizio “Smart TVs,” which contained software that collected information about the users in a manner that allegedly violates numerous consumer protection statutes. The case was consolidated and transferred to the Central District of California in April 2016, and Gary Lynch was appointed to the Plaintiffs’ Steering Committee. In March 2017, District Judge Staton granted in part and denied in part a motion to dismiss, leaving the most significant claims intact and granting plaintiffs leave to re-plead the dismissed counts. After plaintiffs filed a second consolidated amended complaint, a second motion to dismiss was denied in July 2017. Vizio’s attempt to certify an interlocutory appeal was denied in October 2017. The case was settled and received final approval in 2019, providing for a \$17 million common fund.

Vance v. International Business Machines Corp., 1:20-cv-577 (N.D. Ill.). Lynch Carpenter attorneys were appointed Co-Lead Counsel in this class action claiming IBM violated Illinois’s Biometric Information Privacy Act when it collected, obtained, disclosed, redisclosed, disseminated, and otherwise profited from Illinois residents’ unique facial geometric measurements without providing notice or obtaining consent. In September 2020, Lynch Carpenter defeated nearly all of the arguments raised in IBM’s motion to dismiss, allowing the case to proceed forward toward class certification.

In Re: Clearview AI, Inc., Consumer Privacy Litig., 1:21-cv-00135 (N.D. Ill.). Clearview then sold or otherwise gave access to these biometrics to hundreds of law enforcement agencies, private entities, and individuals.

The Supreme Court reversed in a 5-4 opinion, with Justice Kagan writing a strong dissent on behalf of our client—a position which was subsequently adopted by the majority of the Court in *Campbell-Ewald Co. v. Gomez*, 577 U.S. 153 (2016). Plaintiff’s position before the Supreme Court was supported by the United States as Amicus Curiae.

On motion of Verizon, the district court vacated its preliminary approval of the settlement and granted Verizon judgment on the pleadings. On appeal, the United States Court of Appeals for the Third Circuit reversed the district court, and in doing so clarified the role of the district court in evaluating class settlements under Rule 23, holding:

It is essential that the parties to class action settlements have complete assurance that a settlement agreement is binding once it is reached. The fact that a settlement agreement is governed by Rule 23 does not diminish its enforceability as a contract. Where, as here, the parties have executed an agreement, a party cannot

avoid its independent contractual obligations simply because a change in the law confers upon it a benefit that could have altered the settlement calculus.

In January 2016, Magistrate Judge Robert C. Mitchell of the United States District Court for the Western District of Pennsylvania recommended certification of a national class of mobility-disabled individuals who were denied full and equal access to Cracker Barrel stores due to the company's inadequate centralized ADA maintenance policies. Cracker Barrel has over 630 stores across the country. The report and recommendation was adopted by District Judge Mark Hornak in July 2016. The case subsequently settled, securing injunctive relief for the nationwide class.

More recently, Lynch Carpenter attorneys were representing an individual with a mobility disability in *Egan v. Live Nation Worldwide, Inc.*, 2:17-cv-445 (W.D. Pa.). The claims involve wheelchair inaccessibility and ticket unavailability at Pittsburgh-area concert events promoted by Live Nation and ticketed by Ticketmaster. In March 2018, Judge Mark Hornak denied Live Nation's attempt to force arbitration of the potential class action. On appeal, the Third Circuit remanded the arbitration question for trial on disputed factual issues. The case settled before trial.

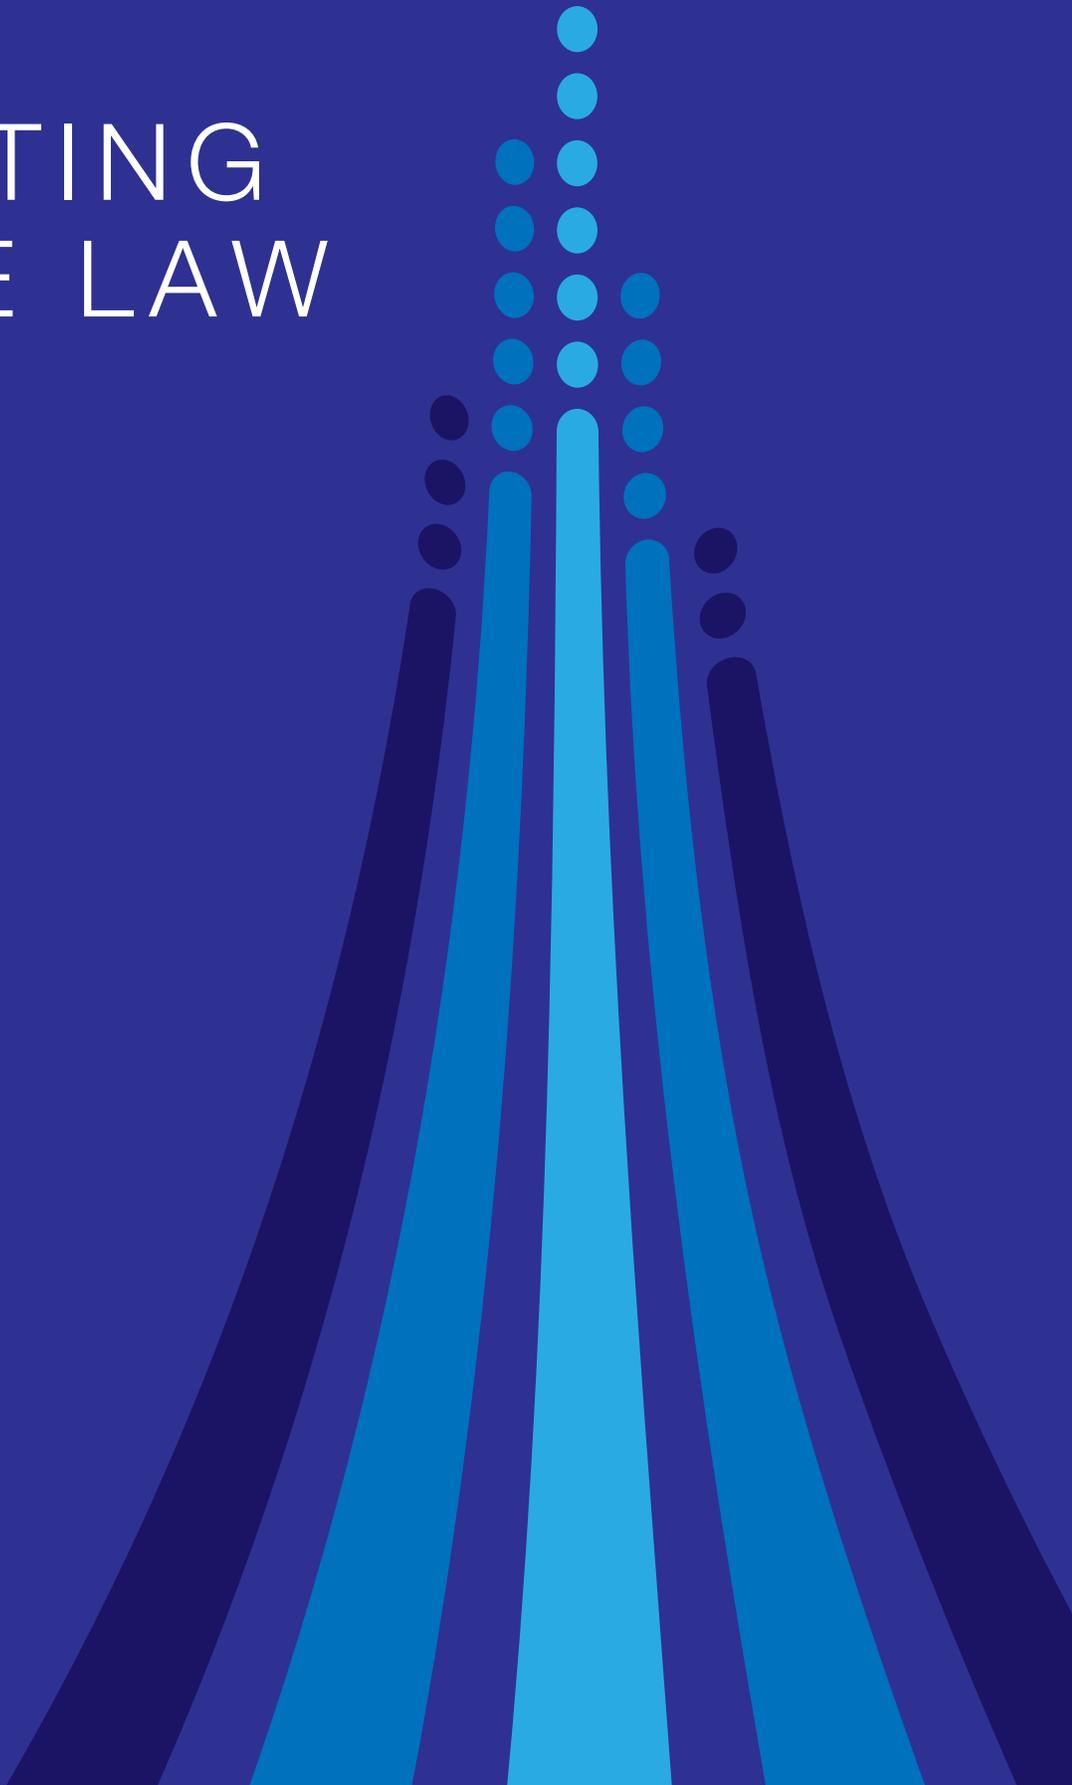

Lynch Carpenter attorneys also recently defeated efforts by Uber Technologies to force individuals with mobility disabilities who are unable to use Uber's ride share services because they are not wheelchair accessible to arbitrate their case despite that none of the plaintiffs ever agreed to any terms of service. The Third Circuit rejected Uber's argument that there was agreement by estoppel. The case is currently being litigated in the district court.

Scott+Scott attorneys educate institutional investors and governmental entities on the importance of fulfilling fiduciary obligations through the adoption of appropriate asset recovery services, as well as through the development and enforcement of corporate governance initiatives.

Scott+Scott has been a pioneer in structured finance monitoring of our clients' portfolios and the Firm's vast experience in structured debt financial litigation has enabled us to provide clients with in-depth monitoring of their structured finance products. Structured-finance products, like asset-backed securities and collateralized debt obligations, attract investors with high returns relative to other fixed-income instruments. However, those returns can come with substantial undisclosed risks due to investors' limited ability to assess what they are actually acquiring. Most investors cannot review the assets that underlie

securitizations, nor negotiate around the boiler-plate terms that govern securitizations, and have very little control over the parties that administer securitizations.

Scott+Scott's portfolio monitoring service responds to these unique risks. Importantly, the Firm does not just track the performance of our clients' structured-finance positions. We analyze it in the context of other data that allows us to understand what drives losses, should any occur. Initially, Scott+Scott conducts a review of the overall record of the parties that issue and administer our clients' structured-finance investments, such as sponsors, servicers, and trustees. The conduct of those parties reveals whether a securitization is suffering from hidden flaws, such as defective underlying assets, for which investors should be compensated. In addition, Scott+Scott reviews securitizations' asset-level performance and their governing agreements to identify any specific instances of those parties breaching their obligations and harming investors. This comprehensive approach enables Scott+Scott to identify hard-to-spot wrongdoing and hold the appropriate parties responsible, ultimately winning significant recoveries for clients who purchased structured-finance products. The Firm has also evaluated and monitored debt and debentures originating from private placements and non-public companies, including municipal bonds and derivatives for our clients.

Ms. Comite assisted in devising the plan of investigation in weekly conference calls with the Special Master, coordinated the review of over 30,000 documents that uncovered a blatant trail of deception and prepared dozens of briefs to describe the spoliation and its ramifications on the case to the Special Master. In reaction to UPS's flagrant discovery abuses brought to light through the investigation, the Court conditioned the parties' settlement of the three individual ADA cases on UPS adopting and implementing preservation practices that passed the approval of the Special Master.

In that capacity, she handled matters related to the White House's response to investigations, including four independent counsel investigations, a Justice Department task force investigation, two major oversight investigations by the House of Representatives and the Senate, and several other congressional oversight investigations.
